FOR IMMEDIATE RELEASE

MKE Unplugged Brings the Spirit of MTV Unplugged to Milwaukee with Debut Performance at Historic Shank Hall

MILWAUKEE, Wis. — A new acoustic tribute experience is coming to Milwaukee this fall as MKE Unplugged makes its highly anticipated debut on Friday, November 6, at the legendary Shank Hall.

Formed by five accomplished southeastern Wisconsin musicians, MKE Unplugged was created with one goal in mind: to recreate the intimate atmosphere, unforgettable performances, and emotional connection that defined the iconic MTV Unplugged era.

Unlike a traditional tribute band dedicated to a single artist, MKE Unplugged celebrates an entire musical movement. Audiences can expect a carefully curated evening featuring acoustic renditions of songs made famous by artists including Nirvana, Alice in Chains, Pearl Jam, Alanis Morissette, Hole, The Cranberries, Stone Temple Pilots, and Live—as played on their MTV Unplugged performances. The show blends powerful male and female lead vocals, rich harmonies, dynamic musicianship, and authentic acoustic arrangements.

"MTV Unplugged created some of the most memorable live performances in rock history," said lead guitarist Zak Stelmaszek. *"Our vision was to build a show that celebrates that entire era—not by covering just one band, but by recreating the feeling audiences had when those performances first aired."*

Band Members
John Harrison — Lead Vocals & Guitar
Lisa Hamilton — Lead Vocals & Guitar
Marc Zavala — Drums & Percussion
Nick Brownrigg — Bass
Zak Stelmaszek — Lead Guitar & Vocals

Each member brings years of live performance experience and a shared passion for the acoustic arrangements that helped define the 1990s. Rather than simply covering songs, the group strives to recreate the intimacy, musicianship, and emotional honesty that made the original MTV Unplugged concerts so beloved.

The band's debut at Shank Hall is especially meaningful. For decades, the historic Milwaukee venue has welcomed nationally touring acts alongside the region's finest musicians, making it the ideal stage for introducing this new musical experience.

Whether listeners grew up watching MTV Unplugged or are discovering these timeless songs for the first time, MKE Unplugged promises an evening filled with nostalgia, exceptional musicianship, and sing-along favorites.
